

K-LOVE radio serves my area and has a really awesome influence on my life. It encourages me so much. If K-LOVE would be displaced by an LPFM broadcaster providing other programming, I may lose my K-LOVE station, and that would be terrible. The service provided by K-LOVE is in the public interest because it is one encouraging station in which people can turn to, not having to worry about cuss words or vulgar, crude influence. Please, don't take K-LOVE away from us.
